MEMORANDUM FOR: Chairman, DCI SECOM Compartmentation Subcommittee

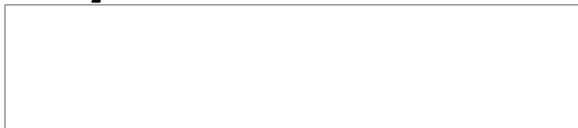

SUBJECT: Draft Revised DCID 1/19

1. Pursuant to your charge at the 22 October 1981 meeting of the Compartmentation Subcommittee, a Working Group composed of the following persons was formed to make recommendations concerning the draft "strawman" version of DCID 1/19, "Security Policy for Sensitive Compartmentated Information (SCI)" and its attachment, "DCI 25X1 Security Policy Manual for SCI Control Systems:"

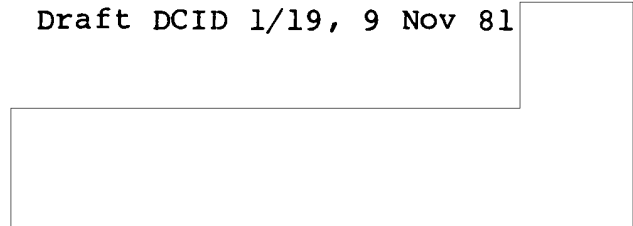

2. The Working Group held several meetings and carefully reviewed the draft "strawman." Because of the nature and length of the changes agreed upon by the Working Group, we decided to prepare a new draft of DCID 1/19 (copy attached). We recommend that this version be considered for formal "vote sheet" action by the entire Compartmentation Subcommittee.
